Videography, additional edited images, prints or polaroids can be requested onto your package, just ask me - Or if there's something not listed that you are curious about, feel free to ask!

01

$320.00
Half Day
$450.00
Full Day

Second Shooter

For more comprehensive coverage, add a second photographer to your day. Perfect for larger weddings or capturing those extra angles and moments, like both partners getting ready or additional candid shots of your guests.

02

$180.00

Additional Hour of Coverage

Add an extra hour to your package to get the most coverage possible.

03

$380.00

Bridal Boudoir Session

An intimate and artistic session to celebrate your beauty and confidence as a bride. Perfect as a special gift for your partner or a way to embrace and honour this incredible moment in your life. These timeless and elegant images will be cherished forever.

04

$380.00

Before or After Staged Photos

Sometimes the weather or time constraints on your wedding day can make it challenging to get all the formal shots you envisioned. A staged session allows us to capture your couple portraits at another location—whether it's the golden light of your favourite beach, a serene forest, or a mountain backdrop—without the pressure of the wedding schedule. This session ensures your formal photos are relaxed, unhurried, and exactly what you've been dreaming of.
